Submit class schedule to WIOA case manager.

Complete WIOA orientation.

COVER: Jasmine Martin (far left), received training in nursing at Reid Sate Technical College thanks to funding from the WIOA program and now works as a nurse. Justin Corley (center) and Andrew Odom (far right)Justin's training in Industrial Maintenance Technology and Andrew's training in Electronics and Instrumentation at Coastal Alabama Community College afforded them the opportunity to compete for positions as an Apprentice Line Technician with Clarke-Washington Electric Membership Corp. (CWEMC). They successfully completed the training and now work full-time with CWEMC. To learn more about their journey, please visit www.swapte.org.
